

Lake of the Woods Mutual Water Company

If you need assistance paying down any remaining water debt, you may be eligible for other State or Federal assistance programs. Assistance can be found with Customer Assistance Program (CAP) at <https://www.calwater.com/customercare/customer-assistance-program-cap/> . If you have questions about CAP, please e-mail cap@calwater.com or call toll-free (877) 419-1701. Financial assistance may also be available from private or local sources. To learn about these programs, please contact Kern County Human Services Department or other public or private assistance organizations. The Frazier Park Family Resource center may also have plans please contact them at 661-245-4303.
